

Drying Cabinet

Model R
Doors can be hinged on either the right
or left side on both models

Dimensions: H1900mm x W595mm x D605mm

(+15mm clearance)

(630mm with door pull)

Power Consumption: 2000W

Our drying cabinet offers a drying solution for industrial workwear, sports, outdoor and leisure wear. It can also be used for domestic use when a large active family has lots to dry.

We supply two versions of hanging configurations:

Model R is supplied with 3 sets of collapsible hanging rails offering versatile hanging arrangements.

Model H is fitted with 6 double hooks in the top of the unit that allows long heavy items to hang freely within the cabinet

Benefits

- Drying for up to 6kg of clothing or 4 sets of cycle/outdoor clothing.
- Aluminum drying hangers and specialized drying nozzles.
- High quality air circulation fan integrated into the body ensuring material friendly drying.
- Plugs into standard 240V mains.
- Options to adjust drying times and management of the system.
- Optional powder coating.
